By sprostać temu wyzwaniu, potrzeba
zaawansowanych rozwiązań IT

A high-angle photograph of a business meeting around a wooden table. A woman in a striped shirt and a man in a grey blazer are looking at a smartphone held by a third person. The table is cluttered with laptops, notebooks, a coffee cup, and various cables. A small potted cactus sits on the right side of the table.

Zmiana platformy do
komunikacji elektronicznej
na Software as a Service

The background of the slide is a photograph of a server room with rows of server racks. Overlaid on this is a digital graphic featuring a network of glowing blue nodes connected by thin lines, and several larger, bright blue bokeh-like light spots. The overall color scheme is blue and white.

Nowa usługa IT
oparta o Infrastructure as Code

A diverse group of six IT professionals (three men and three women) are gathered around a server rack in a modern data center. They are all looking at the equipment with interest and focus. The woman in the foreground is leaning in, pointing at something on the server. The man next to her is also looking closely. The woman in the center is smiling and looking at the server. The man next to her is looking at the server. The woman on the far right is looking at the server. The man on the far left is looking at the server. The background is a blurred view of the data center with rows of server racks.

Stworzenie zespołu
skupiającego się na badaniach
i rozwoju technologii IT

Wnioski

- IT staje się jednym z filarów rozwoju firmy
- Zmiana jest nie tylko w technologii, ale też w sposobie działania
- Pewne rzeczy trzeba zrobić od zera

Doing now what patients need next
